

# OLD TOWNE

# VANDE-CROSS

## NOVEMBER 11th, 2007

This year instead of the original Green Valley course, which was ravaged by late summer flooding, will be in the Belgium area of Moline at Stephens Park. This course is just North of the famed Moline Criterium off of 7th Street. It's a 19 acre park that has everything to offer a challenging race like; off camber riding, steep run up's, wood crossings and more. With plenty of food in the area, bring the family and make a day of it.
